

MICHAEL A. KIPP

Division of Earth and Climate Sciences | Nicholas School of the Environment | Duke University
Grainger Hall | 9 Circuit Drive, Box 90328 | Durham, NC, USA 27708
michael.kipp@duke.edu | www.gaialab.earth | [Google Scholar](#) | [@kippmichael](#)

POSITIONS	Assistant Professor , Division of Earth and Climate Sciences, Duke University Postdoctoral Scholar , Division of Geological and Planetary Sciences, Caltech Visiting Researcher , Research School of Earth Sciences, Australian National University	2024– 2019–2023 2018	
EDUCATION	Ph.D. , Earth & Space Sciences and Astrobiology, University of Washington B.S. , Biological Sciences, University of Notre Dame B.A. , Classics (Latin concentration), University of Notre Dame	2019 2014 2014	
AWARDS	Johnston Award (highest research honor in Earth & Space Sciences), University of Washington Astrobiology Fellowship, University of Washington	2019 2014	
FUNDING	Major external funding: Postdoctoral Fellowship in Geobiology, Agouron Institute (PI; \$152K) Graduate Research Fellowship, National Science Foundation (PI; \$138K) Minor funding & internal grants: Early Career Collaboration Award, NASA Astrobiology Institute (\$5K) Seed Grant, Center for Evolutionary Science, California Institute of Technology (\$20K) Lewis & Clark Fund for Exploration in Astrobiology, American Philosophical Society (\$4.6K) Student Research Grant, Geological Society of America (\$1.8K) Harrison Scholarship, Tobacco Root Geological Society (\$500) Endowed Graduate Support Fund, UW Earth & Space Sciences (\$2.5K) Ellis L. Yochelson Award, Paleontological Society Student Research Grant (\$1.2K) NSF Graduate Research Opportunities Worldwide Award (\$5K) Goldschmidt Conference Student Travel Grant, Geochemical Society (\$650) "Inquisitive Graduate Student" Award, UW Earth & Space Sciences (\$2K) George E. Goodspeed Geology Scholarship, University of Washington (\$1.5K) Summer Environmental Research Fellowship, University of Notre Dame (\$8.5K) Undergraduate Research Comprehensive Summer Grant, University of Notre Dame (\$2K)	2019 2015 2023 2021 2019 2019 2019 2018 2018 2017 2016 2016 2015 2013 2013	
TEACHING	University of Washington Undergraduate Research Mentor Preliminary Exam Committee Member ESS 213, Evolution of the Earth ESS 101, Introduction to Geology	Caltech 2017–2019 Undergraduate Research Mentor 2018 Graduate Research Mentor 2017 Certificate in University Teaching 2015	2021–2023 2019–2023 2019–2020
INTERESTS	isotope biogeochemistry, Earth history, astrobiology, metallomics

Proposals: NSF Earth Sciences (EAR) | NSF Ocean Sciences (OCE) | ACS Petroleum Research Fund
Israel Science Foundation (ISF)

Session Convener

Astrobiology Science Conference (2019) | Geobiology Conference (2019) | Goldschmidt (2018–2021, 2023)
Gordon Geobiology (2022) | Geological Society of America (2017)

Outreach

Summer Research Mentor, Caltech SURF Fellows Program (2023) | Summer Research Mentor, Caltech
WAVE Fellows Program (2022) | Summer Research Mentor, Caltech Summer Research Connection (2022)
Guest Lecture, Muir High School Environmental Science Academy (2022) | Summer Research Mentor,
i-STEM Scholars (2021) | Public Lecture, *Explore Caltech* (2020) | Organizer & Lab Demonstrator,
Astrobiology Primer, AbSciCon (2019) | Public Lecture, *Astronomy on Tap*, Seattle (2018) | Astrobiology
Curriculum Advisor, Everett Public Schools (2018) | Guest Lecture, Lakewood High School Astrobiology
Field Trip (2016) | Course Designer & Saturday Program Instructor, UW Robinson Center for Young
Scholars (2014)
